Dear neighbors and members of the Judiciary Committee, please oppose S.B #16. This bill penalizes the law abiding firearm owners of our great state. The state as a whole needs to focus on strongly enforcing the gun laws we already have in place, rather than implementing new ones. I ask you please do not support the Governor's bill. The taxpaying law abiding citizens of Connecticut have been punished enough already.

In addition, I also appose H.B. #5416.

I do however support:

H.B. #5412,

H.B. #5415,

S.B. #388

Thank you for your time.
